

Darshnoor Kaur

Mohali, Punjab, India | Email | LinkedIn | GitHub

SUMMARY

Computer Engineering undergraduate with a strong interest in Cybersecurity, Cloud Technologies, and AI-driven security solutions. Experienced in cybersecurity simulations, phishing detection projects, and technical problem-solving with a passion for continuous learning and innovation. Seeking opportunities to contribute to real-world security and technology environments.

EDUCATION

Amity University

Bachelor of Technology (B.Tech.), Computer Engineering

Sep 2024 – Sep 2028

Punjab, India

Ryan International School

High School Diploma, Science (PCM)

2022 – 2024

Vivek High School

Middle School

Apr 2010 – Mar 2022

EXPERIENCE

Home Tutor

Self-Employed

Jun 2024 – Present

Mohali & Chandigarh, India

- Instructed 10+ students in Mathematics, Science, English, and Computer Science; delivered structured lesson plans that produced measurable grade improvements across all enrolled students.
- Strengthened communication, leadership, and analytical skills by managing individualized learning plans, demonstrating adaptability and stakeholder management transferable to technical environments.

PROJECTS

Phishing Email Detector

Python / Tkinter / Cybersecurity

- Developed a phishing email detection system capable of identifying suspicious email patterns and potentially malicious links.
 - Implemented keyword analysis, URL inspection, and dynamic risk scoring for threat identification.
 - Designed an interactive graphical user interface for real-time email threat analysis and cybersecurity awareness.
- [Project Repository Link](#)

TECHNICAL SKILLS

- **Cybersecurity:** Incident Response, Threat Detection, Network Security, Security Awareness, Log Analysis
- **Programming & Tools:** Python, Tkinter, GitHub, GUI Development
- **Cloud & Infrastructure:** AWS Cloud Foundations, AWS IAM, Cloud Architecture
- **AI & Data:** Prompt Engineering, Data Visualization, ChatGPT
- **Platforms:** Windows, Linux Basics
- **Languages:** English (Native), Hindi (Native), Punjabi (Native), German (Elementary)
